**Dr. Balu Karanam**

"Living with a Loving God"

*Dr. Balasubramanyam (Balu) Karanam was born in a small village near Puttaparthi in a family of Sai devotees. He joined the Puttaparthi “village” primary school for 4th grade, studied in Smt. Eswaramma High school, graduated and post graduated from Sri Sathya Sai Institute of Higher Learning, Prashanthi Nilayam. He joined the Johns Hopkins School of Medicine to pursue his research studies in Cancer Biology. Balu served as SSE teacher, President of Sri Sathya Sai center at Greater Baltimore, Maryland and later as Regional Devotional Coordinator for the Mid-Atlantic Region. Balu is currently serving as Regional President for Region 3. Professionally, he is working as Professor in Cancer Biology. Balu strongly believes that it is the grace of SAI that transformed him from a rural child to Research Scientist.*
