

# Region 8 Online Devotional Program

Tuesday the 21<sup>st</sup> at 7 PM

Vedam and Bhajans Followed by Guest Speaker:

**Ananta Gudipaty**

*"From Information to Transformation, the Bliss of Learning"*

Ananta Gudipaty was born in India and brought up in the state of Alabama, he is blessed with a rich mix of eastern and western thought. From an early age he was deeply touched through Sai Spiritual Education (SSE). And this has led him to pursue teaching and mentoring children. He currently serves as an active faculty member at the Institute of Sathya Sai Education, USA.

Ananta is a software engineer by profession and is working as a Sr. Manager on the Learning Platform at Amazon. In this role he is helping to build a platform that provides training and education to every Amazon employee across the world.

He lives in the Seattle, Washington area with his lovely wife and two young boys. Please join us in welcoming Ananta to our Tuesday night regional speaker series.
