"Sai The Inner Guide"

Leslie Bouche first came to Baba's orbit and His teachings in 1972. Her first trip to India to have Baba's Darshan was in 1973. She has travelled to India many times over the past 48 years to be near Him.

Baba has been at the center of Leslie's entire adult life. She has held multiple positions within the Sai organization, has been a bhajan leader for 48 years, and she was an SSE teacher. She hosted the Thousand Oaks Sai Center in her home for several years. She is dedicated to service and is also president of the board of the non-profit World Family Foundation and a member of the Rotary Club of Ojai, California.

In 2003, Leslie and her then fiancé Bruce travelled to India to give thanks for bringing them together, and to their surprise, Baba called them in for an interview and married them. Since then they have made many trips together to the Ashram, including after Baba's Mahasamadhi.

Now in her seventies, Leslie is a wife, mother and grandmother, and she continues her work as a Certified Hypnotherapist. Leslie feels Baba deeply in every aspect of life.
