

REGION 8 ONLINE DEVOTIONAL PROGRAM

Tuesday, December 29th at 7PM

Vedam and Bhajans Followed by Guest Speaker:
Sri Sathya Sai Baba

“Swami invited Westerners for a talk at kodaikanal in 1991. Swami talks about and real Love for God as well as building Self Confidence which leads to self-realization and that self-realization is the goal of life. The setting of this talk is very similar to an interview Swami uses to give after Darshan. Swami speaks in English during a lot of the talk. See Swami speak on many of His fundamental teachings in a relaxed manner.”
